

Engineering Full-Time Permanent Salaries - 2007

UMD Engineering Employment Survey - B.S. Degrees, May 2007

Of the 387 responses (90% of the class), 190 students accepted full-time employment. Remaining students indicated they were attending graduate school, still deciding between offers, seeking employment, or were undecided.

UMD Bachelors Degree Graduates May 2007	
Engineering Major	Average Salary
Aerospace	57,257
Biological Res.	52,417
Chemical	61,885
Civil & Environ.	53,167
Electrical & Comp.	59,636
Fire Protection	55,642
Materials	58,000
Mechanical	55,186
Mean Salary for Majors	56,649

NACE Salary Survey (Summer 2007) is published quarterly by the National Association of Colleges and Employers. It reports salary offers, not actual hires, and includes base salaries only.

Engineering Major	Bachelors Avg. Offer	Masters Avg. Offer	Doctorate Avg. Offer
Aerospace/Aeron.	53,400	64,750	66,667
Bio & Biomedical	51,356	66,336	n/a
Chemical	59,361	63,875	75,659
Civil	48,509	49,930	63,100
Computer	56,201	63,050	74,750
Electrical	55,292	68,460	81,297
Environmental	47,960	n/a	n/a
Materials	56,233	n/a	n/a
Mechanical	54,128	61,591	69,030
Systems	54,124	n/a	n/a
